TREACHERY IN DALLAS

by Walt Brown

Formerly titled "Blue Death, Red Patsy, White Lies," **TREACHERY IN DALLAS** is a textbook tour de force of the events in Dealey Plaza, as well as their immediate aftermath and subsequent coverup.

Beginning with "Theories," the author presents a menu of the major "Whodunit?" concepts, demonstrating where strengths and/or weaknesses exist and giving each theory an in-depth analysis.

"Blue Death" details the multi-layered involvement of the Dallas Police on November 22, with insights never previously published.

"Red Patsy" demonstrates the ease with which a fraudulent case was made against Oswald, and how his "resume," not evidence, made the case credible.

"White Lies" is the Warren Commission laid bare. The who, why (and why not...) of the Commission are all noted, and every question asked by the Commission is tallied in a never before seen matrix.

An "Hypothesis," eight pages of photos, and statistical tables complete the work.

TREACHERY IN DALLAS will be available in "bookstores everywhere" in Sept. You may get a copy now, signed /inscribed if you request.

**The JFK ASSASSINATION
QUIZBOOK**

by Walt Brown

---the ultimate question and answer book on JFK

...from Open Archives Press, a subsidiary of Prevailing Winds Research

One hundred challenging categories, ranging from JFK's life, to the motorcade, to weapons, to books written on JFK, to the movie JFK, with 10 questions in each category, and answers supplied.

Who was the first doctor to see JFK at Parkland? Who brought a Mauser into the TSBD on Nov. 20? Who were the 8 agents in the follow up car? Who wrote Oswald's Game? Who gave JFK the last rites? Who were Perry and Clark? (Trick question: they were Parkland doctors and also 2 Dallas officers in "showups" with Oswald).

\$7.95 per copy (\$1.50 s/h); Orders of 5 or more, @ \$4.75 per copy, plus \$.75 s/h per copy. Signed, inscribed if you wish.

Sound Bytes from the Warren Commission

---a 60-minute look at the lighter side of the Q. and A. of the Warren Commission---

One: Sound-bytes: the most absurd questions asked by the Warren Commission, with invented answers;

Two: Keystone Cops: the weekend of Nov. 22-24 viewed through the eyes of a journalist in the basement of the DPD on Sunday morning--giving the DPD their "due."

Three: "Who Shot First?" a parody of the famous Abbott and Costello comedy routine "Who's on First?" A "must" for that friend who still believes the "official verdict."

JFK AUTOPSY PHOTOGRAPHS

I have recently purchased the "Fox negatives" of the autopsy of President Kennedy. I have had a number of inquiries regarding availability of sets of the photos. If you need a set of the photos for your research, please contact me and include a SASE for details concerning the cost of me putting together a set for you.

JFK/DEEP POLITICS QUARTERLY

VOLUME I #1 OCTOBER, 1995

Co-editors: Jan Stevens, Walt Brown

NEW JOURNAL LAUNCHED!

In order to provide more opportunities for people to publish articles based on the events that have stretched from November, 1963 to now, with dual emphases on both JFK and the "Deep Politics" agenda related to his death, the publication of the **JFK/DEEP POLITICS QUARTERLY** will be undertaken, with the first issue scheduled to coincide with this year's COPA Conference in Washington, DC, from October 20-22.

Articles and coverage will range from JFK to yesterdays' headlines, and will cover those events in the most scholarly way possible. Special notice will be given to the workings of the ARRB and the release(s) of new documents. Articles will be sought from veteran researchers as well as those relatively new to the case, and reviews of new--and older--works, perhaps unfamiliar to the new generation of readers, will be featured. "Ad" space will be available for those seeking specific photos, videos, documents, or any other relevant materials. The Quarterly will also keep up with events on the Internet and other cyberspace areas where there is overlap to the purpose of getting to the truth of the events of November, 1963--and beyond.

And it will be mailed on time in mid-October, January, April, and July. We shall also support the continuing efforts of existing journals, to the point of announcing upcoming specials they are running. It is not our purpose to compete, but rather to enhance the quality of material already available.

Subscriptions will be \$20 yearly, with the first "sample" issue at a special rate of \$3.

Please use the attached order form and/or submit an article for consideration.
